1. Conferences with Mr. [REDACTED] seem to have straightened out the SRG charges for our students who are enrolled in regular evening and day courses at [REDACTED]. The billing should be ready for approval early next week. 25X1A5a1
2. Arrangements are being made for a special course in Scientific Russian at the request of [REDACTED] OSI: ten trainees, all graduates of UTG/A Russian, for three full days each week for twelve weeks at [REDACTED]. The type of program we should encourage. 25X1A9a

3. Interviewed and gave application forms to two electronics technicians for the job in the Language Laboratory. One looks like a good possibility for the laboratory; the other can probably be used in Commo.
